2012 IBS SCHOLARSHIP RECIPIENT

To: Supporters of the Ida Ballard Simon (IBS) Memorial Scholarship Fund

Greetings from Ashanti Pollard!

I am a senior at Lincoln University (LU) – Jefferson City, Missouri and scheduled to graduate during the Summer of 2016 with a major in Biology and minor in Chemistry. Additionally, I'm preparing for the MCAT and once completed, I will begin to apply applications to Medical School(s).

Since May of 2012, me and my family lives changed for the better. I was awarded the IBS Memorial Scholarship that changed my whole plans of where I was going to further my education and ever since then I been nothing but grateful. It made our lives so much easier and my mom didn't have to worry anymore about how my college tuition was going to get paid. I am happy to be a recipient of the IBS scholarship because it has afforded me the opportunity to attend LU!

I wouldn't change a thing about where I chose to attend college. Actually, I feel that LU chose me because this experience is molding me into a better, more confident and optimistic young lady. Also, I have made my mom very proud as well as other family members that support me as well. So, I want to thank all Ida Ballard Simon Scholarship Fund supporters; you all have made a big impact on my life!

Thank You,

Ashante Pollard

2014 IBS SCHOLARSHIP RECIPIENT

“The Ida Ballard Simon Scholarship – What It Means to Me!”

During my senior year in high school, I always had this fixed mind set of where I would be and what I would be doing in college, and honestly Lincoln University was not on the spectrum. As the end of my senior year began to get closer, I realized that my dream wasn't going to happen.

I was honestly lost and had no clue what I was going to do.

I was down and out and felt like I had let people down.

Then this wonderful “Ida Ballard Simon Scholarship” came around and I had the opportunity to apply for it. God blessed me with the great privilege of receiving the scholarship, and more importantly keeping my parents from having to spend money. I would just like to say **THANK YOU** for selecting me to be a representative of not only the scholarship, but of your family as well.

It is a great honor of mine, and I strive to do my best because of the chance that I've received. Every day that I don't feel like going to class, or I'm simply having a bad day, I just think about all of the people who support me and that I have to make you all proud. This Scholarship means so much to me and I will keep my GPA up and keep striving for the best. I'd just like to say, “**Thank you again**” to all of those who donate or have something to do with the funding of my education. You are **GREATLY** appreciated and I will make you proud.

Sincerely,

Addison Matthew Tucker

Ida was the innovator of the Presidential Gala Concept at Lincoln University. If you experienced Ida, you experienced a classy, sassy, sexy, confident, beautiful Black woman who had an OPINION and EXPRESSED it even if it made a few uncomfortable!

Michelle Obama is a prototype of Ida!! A former Miss Lincoln University, A former Miss Carver High, A former Corporate Executive, trained in the Seminary, well travelled, and a Majorette at LU. She LOVED MEMPHIS, CARVER HIGH and LINCOLN UNIVERSITY. Ida came to LU with NO MONEY and graduated with honors. She passionately wanted to GIVE BACK TO LINCOLN and spoke of her experiences at LU as some of the most wonderful times of her life!! She returned to Lincoln as the Vice President of Advancement. Ida was posthumously Inducted into The Lincoln University Hall of Fame!!!

I tell you ALL this because she was MY AND OUR FRIEND and I want YOU to SUPPORT this Memorial Scholarship EVENT and FUND with your donation. Her family knew she LOVED LINCOLN. Let's let her family KNOW that we LOVED HER!!! Ella Ballard, one of her sisters, was also a graduate of LU! Send your donation in today. It's NOT too late to send in a donation large or small!!
