# 2012 IBS SCHOLARSHIP RECIPIENT

The Ida Ballard Simon Scholarship Fund changed my life in so many ways. I was able to become the first one in the first generation of my family to go to college and graduate with a bachelors degree. I had always known that I wanted to go to college and make something out of my life. At Lincoln University

of Missouri, I was able to get an experience I'll never forget and gain lifelong friends. Today, I am a certified phlebotomy technician. This fall, I'll be starting the accelerated BSN nursing program at Union University. I'm super excited for this new journey in my educational career. Soon, I'll be embarking on a career in the medical field as a Nurse Practitioner. It's by the grace of God that all of this is happening in my life and I'm very thankful for the support of the Ida Ballard Simon Memorial Scholarship Fund.

Ashanti Pollard

# 2014 IBS SCHOLARSHIP RECIPIENT

IBS has been an enormous blessing to me over this past chapter of my life. The IBS Scholarship is the reason that my journey at Lincoln University started in 2014.

Before receiving this scholarship, I had no idea what I was going to do with my post high school life leading into high school graduation. This blessing then arrived, and I was afforded the opportunity of a lifetime to attend college at an HBCU on a

full ride scholarship!! After arriving at LU, I experienced many ups and downs but persevered and kept pushing towards the finish line because I had people to make proud!

Thanks to the IBS Scholarship, in 2018 I graduated from undergrad with honors!!! I then transitioned into being in graduate school and coaching college football which has been my dream. Fast forward 4 years and here I am having received my Master's Degree in Business Administration and close to having my next college football coaching job!! None of this would have been possible without the IBS Scholarship which started it all and gave a young man an opportunity to grow and be successful!!! I am tremendously grateful to the Ballard family and scholarship committee for granting me the opportunity to change my life and I will never forget what it has done for me!

Sincerely,  
Addison M. Tucker

**CONGRATULATIONS** are extended to the Ballard Family as they come together for the **"12<sup>th</sup> IBS Golf Tournament"**!!!

Our son, Addison Tucker was blessed to receive the full-ride 2014 IBS Memorial Scholarship and received his Bachelor's Degree from Lincoln University in May, 2018. Addison also stayed at Lincoln to complete his Master's Degree, which he just received on May 7<sup>th</sup>, 2022. Our daughter Aliyah transferred to Lincoln because Addison was there and also just received her Bachelor's Degree as well.

These accomplishments are ultimately attributed to IBS and Addison attending Lincoln, for which we are extremely happy and grateful!!!

*Ida* was the innovator of the Presidential Gala concept at Lincoln University. If you experienced Ida, you experienced a classy, sassy, sexy, confident, beautiful Black woman who had an OPINION and EXPRESSED it even if it made a few uncomfortable!

Michelle Obama is a prototype of Ida!! A former Miss Lincoln University, A former Miss Carver High, A former Corporate Executive, trained in the Seminary, well travelled, and a Majorette at LU. She LOVED MEMPHIS, CARVER HIGH and LINCOLN UNIVERSITY. Ida came to LU with NO MONEY and graduated with honors. She passionately wanted to GIVE BACK TO LINCOLN and spoke of her experiences at LU as some of the most wonderful times of her life!! She returned to Lincoln as the Vice President of Advancement. Ida was posthumously Inducted into The Lincoln University Hall of Fame!!!

I tell you ALL this because she was MY AND OUR FRIEND and I want YOU to SUPPORT this Memorial Scholarship EVENT and FUND with your donation. Her family knew she LOVED LINCOLN. Let's let her family KNOW that we LOVED HER!!! Ella Ballard, one of her sisters, was also a graduate of LU! Send your donation in today. It's NOT too late to send in a donation large or small!!

Loving LU.

volunteers and well-wishers, your support means  
the world to us.*

*Thank You for your love, encouragement  
and laughter!*
