## A Letter From Israel:

Going to Lincoln was definitely one of the best decisions I made for myself. In the beginning it was probably the hardest challenge of my life. I was 6 hours away from home and I was pretty much by myself. I really didn't know what to do. My mom really helped me a lot because she kept telling me that this was going to be for the better and I was here for a reason.

Being here really helped me to meet more people. I was on my own, so it helped me to be independent, mature, and just grow up. It took me a while to really get adjusted but I'm so happy I finished seeing the full picture. One thing I would say to incoming freshmen is before you get here understand why you are really here, and with that set goals for yourself.

Come in working really hard because things can really get hard and you don't want it to be too late to be able to change things. It's ok not to be like everyone else, but if you really want to, you have to know how to balance your life outside of school. See things through do not give up.

*Ida* was the innovator of the Presidential Gala concept at Lincoln University. If you experienced Ida, you experienced a classy, sassy, sexy, confident, beautiful Black woman who had an OPINION and EXPRESSED it even if it made a few uncomfortable!

Michelle Obama is a prototype of Ida!! A former Miss Lincoln University, a former Miss Carver High, a former Corporate Executive, trained in the Seminary, well travelled, and a Majorette at LU. She LOVED MEMPHIS, CARVER HIGH and LINCOLN UNIVERSITY. Ida came to LU with NO MONEY and graduated with honors. She passionately wanted to GIVE BACK TO LINCOLN and spoke of her experiences at LU as some of the most wonderful times of her life!! She returned to Lincoln as the Vice President of Advancement. Ida was posthumously inducted into The Lincoln University Hall of Fame!!!

I tell you ALL this because she was MY AND OUR FRIEND and I want YOU to SUPPORT this Memorial Scholarship EVENT and FUND with your donation. Her family knew she LOVED LINCOLN. Let's let her family KNOW that we LOVED HER!!! Ella Ballard, one of her sisters, was also a graduate of LU! Send your donation in today. It's NOT too late to send in a donation large or small!!!
